छायाकार अनिल रिसाल सिंह की अंतरदृष्टी ...

एक छायाचित्र प्रदर्शनी.

लखनऊ के ऐतिहासिक स्थल फोटोग्राफिक माध्यम में सृजनरत कलाकारों के प्रेरणा स्रोत रहे हैं। अनेक छायाकारों ने लखनऊ रेजिडेन्सी इमामबाड़े आदि स्थलों के संयोजनों का अपनी कलात्मक दृष्टि से सृजन कर व्यापक स्तर पर अपनी पहचान बनाई है। ऐसे ही एक अंतरराष्ट्रीय स्तर के ख्यात फोटो कलाकार अनिल रिसाल सिंह की लखनऊ रेजिडेन्सी पर आधारित प्रदर्शनी जो आजकल लखनऊ के सेन्ट्रम होटल में प्रदर्शित की जा रही दर्शकों के आकर्षण का केन्द्र बनी हुई है।

अनिल रिसाल सिंह एक लम्बे असे से लखनऊ रेजिडेन्सी को अपने सृजन में प्रमुखता देते रहे हैं और अब तक अपने कैमरे से संचित अनगिनित संयोजनों के साथ अनेक प्रदर्शनियां आयोजित कर चुके हैं। वर्तमान प्रदर्शनी का आवलोकन करते समय रेजिडेन्सी को लेकर भविष्य की समभावनाओं पर जब अनिल से प्रश्न किया गया तो उनका एक ही उत्तर था, कि जब तक वह फोटोग्राफी करते रहेंगे रेजिडेन्सी उन्हें सृजनात्मक ऊर्जा देती रहेगी। इस बात की सत्यता का वर्तमान प्रदर्शनी से सहजता से ही अनुमान लगाया जा सकता है। अनिल जिस प्रकार खंडहरों से संवाद करते हुए कुछ नया खोज लाते हैं वह वास्तव में आश्चर्यचकित कर देता है। इसमें कोई संदेह नहीं कि इन खंडहरों में जितनी ईंटे हैं उतने संयोजन तो बन ही सकते हैं आवश्यकता है बस एक कलाकार की दृष्टि की। अनिल निर्विवाद अपनी कलात्मक दृष्टि और अभिव्यक्ति की क्षमताओं को सिद्ध कर चुके हैं।

प्रदर्शनी का उद्घाटन माननीय श्री बृजेश पाठक ,उप मुख्य मंत्री, उत्तर प्रदेश द्वारा सम्पन्न हुआ। श्री पाठक ने अपने वक्तव्य में फोटोग्राफी से जुड़े अपने अनुभवों के साथ प्रदर्शित कृतियों की सराहना भी की। इसी बीच अनेक दर्शनीय स्थलों पर कैमरे पर प्रतिबंध का विषय उसके संज्ञान में लायेजाने पर उन्होंने ने पुनर्विचार का आश्वासन दिया। विश्वास है कि फोटोग्राफिक माध्यम में सृजन को बढ़ावा देने के आशय से उत्तर प्रदेश प्रसाशन समस्त प्रदेश के दर्शनीय स्थलों पर कैमरे के प्रतिबंध को निरस्त कर सृजनात्मक गतिविधियों को बढ़ावा देगा। वास्तव में देखा जाय तो फोटोग्राफी को बढ़ावा देने के लिये प्रसाशनिक स्तर पर बहुत कुछ अपेक्षित है। उत्तर प्रदेश प्रसाशन के संस्कृति विभाग को श्रेष्ठ फोटोग्राफ्स के संग्रह,और अभिलेखीकरण के साथ अनिल रिसाल सिंह जैसे समर्पित छायाकारों की रिट्रास्पैक्टिव प्रदर्शनी के आयोजन के विषय में विचार करना चाहिए। यह समय की मांग है जिस की वजह से हमारे प्रदेश के अनेक महत्वपूर्ण छायाकार अतीत के अंधकार में लोप होते जा रहे हैं।

Dr. Bhupesh C. Little

Prof. Bhupesh C. Little PhD, is one of the rare photographers who have dedicated their life not only to mere participation and getting awards / honours & accolades but also for the field of Education. Starting his photography in 1987 formally as part of the curriculum, while doing professional course of BFA Graphic Design (5 year course), he chose to make a career in Photography only. His first selection in an All India came exhibition in 1990 and his first National Award in 1992 as well as his first International Silver Medal in 1992 in Minneapolis International. That was just the beginning. Since then Bhupesh has gone on to win over 250 International and National Awards and accolades with 14 foreign Fellowships also awarded by Ministries of Government of India 13 times, 5 times Life Time Achievement Awards including one by Olympus.

Photography journey

In 1995 he joined Lucknow University as an Asst. Professor and he devoted to uplifting the level of formal education in photography in India. He has many firsts to his credit; In 1996 he was instrumental in starting of the First MFA Photography in India at Lucknow University. He drafted rules and regulations of PhD in Photography and in 2010-11 at Lucknow University. He himself happens to be a PhD in the concerned subject. He is the First Indian and was also selected as Post Doctoral Fellow in 2012, again the first and so far the only Indian in his concerned field. Under his guidance he produced the “First Indian Woman PhD in Photography” in 2015. He was offered appointment in University in South Pacific Islands in 2013 for a 3 year stint. Within 6 months of his working there he was offered the most coveted position of Head of the Institute of Creative Arts in the university. After his return he joined Lucknow University back. Once again he was selected and offered to join Jamia Millia Islamia University in New Delhi in 2019 where he headed the department from 2021 to 2024.

Photography journey

This is just a small sample of his his dedicated service, the limited space of this article doesn't permit the list of his contributions as a Professor of Photography & Graphic Design for over 30 years. He has been Jury for several International and Govt. National Exhibitions besides All India Salons. He was also Chairman of "Horizon International Circuit" from 1998 to 2010.
